Gracious God we've come to gather
As your children at your knee
Gracious God we've come to gather
Singing joyfully to Thee

Gracious God we've come to worship you
For all the love you've poured on us
Gracious God we've come to worship you
For your unending, boundless love

Hear the passion in our voices
Feel the hunger in our hearts
See the joy upon our faces
Gracious God

Gracious God we've come to praise you
For the splendor you impart
Gracious God we've come to praise you
From the bottom of our heart
