

# Speak It to Life - C#\*

Eddy Mann

Key of C#

I **F# / B F#** | **C# D#m7** | **B F#/A#** | **C#sus C#** |

I **F# / B F#** | **C# D#m7** | **B / C#sus C#** | **F#** |

I think, I doubt, I second guess

You speak it to life

I fret, I brood, I hesitate

You speak it to life

I pause, I wait, I vacillate

You speak it to life

I hedge, I stop, I speculate

You speak it to life

I **C# / C#sus C#** | **F#/A# B** | **F#/A# B** | **C#sus C#** | (2x)

I'm nothing more than a broken verse

My finite self revealed

But Your strong words they are truth and deed

My faithful sword and shield

I hem, I haw, I scrutinize

You speak it to life

I search, I probe, I analyze

You speak it to life

I toy, I flirt, I ruminate

You speak it to life

I balk, I shrink, I formulate

You speak it to life

I consider  
I agonize  
I imagine  
I meditate
